Hi Sara,

The briefing document (that you have) for Callie was comprised of the above files:

“WY General Conformity 12-11-14.docx”

“WDEQ ConformityLtr PermittedSources dated 1-31-2014.pdf”

In addition, and for reference, I have also included our recent (October, 2014) comments we sent to the BLM regarding their draft Exemption List and Presumed to Conform List and WDEQ's (non-regulatory) 2008 policy for permits issued for sources in the UGRB (which contains the offset provisions).

Please let me know if you have any questions.

Thanks for reviewing these materials!

Tim
